

Te Pā Pouahi | Digital Leaders Course

Are you leading Digital Technologies or Hangarau Matihiko in your school?

Or have you been asked to step up to help your school get ready to implement the new and revised curriculum content?

We have the course to support you!

Take the first steps with Te Pā Pouahi | Digital Leaders course and get on track to help your school get ready for 2020.

Through this free course you will be supported to stoke the fires of your colleagues' curiosity by supporting them to explore and implement Digital Technologies and Hangarau Matihiko curriculum content.

As a Pouahi, you will:

- get focused support from the Kia Takatū ā-Matihiko team,
- be connected to a community of support so you can share your experiences and ideas with like-minded teachers,
- hear from experts in the field through online panel discussions,
- be guided through developing a draft strategic plan for your school's implementation,
- have access to a series of 4 pīkau | toolkits that are self paced with activities to share with your colleagues.

Pīkau 1 | Setting the conditions for supporting each other

Pīkau 2 | Developing engagement

Pīkau 3 | Building engagement

Pīkau 4 | Building into longer term plans
